Advertising rates furnished on application. The value of the Tropico Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

A bloodless revolution, the downfall of an absolute monarchy by the voluntary resignation of Czar, the restoration of the Douma and the prospect of a popular government in Russia is another instance where truth is stranger than fiction. While it has been the dream of revolutionary patriots who have been banished to the mines of Siberia and who have been liberated and recalled by a recent edict of the Douma, the outside world was quite unprepared for such an event at this time. But we should remember the case of Japan where patriotism went even further and the Samurai or feudal lords who ruled the country and held vast estates, voluntarily surrendered their lands and their powers to the Emperor in order to strengthen and centralize power, and accepted a life of comparative poverty for themselves. The feudal lords of Russia, who have formed its bureaucracy are not of that type however, and will not give up their control without a struggle. That many of them are German sympathizers who have betrayed Russia and been the means of defeating her armies, has been proved to the satisfaction of the Douma and that is undoubtedly the cause of the present revolution. The Russian peasant is poor and ignorant. For generations he was a serf who belonged to the soil. He learned to love it, and Russian traitors will find that an aroused and hungry peasantry backed by the national army and representatives of the people elected under a constitution, will offer a resistance not easy to overcome, especially when augmented by the revolutionists liberated from the prisons of the empire.

AUTO TAXES

It is to be hoped that the Auto Club of California will heed the suggestion of Mr. Frank Peters who wrote its officials as secretary of the Tropico Chamber of Commerce relative to a division of the auto license fees with cities. As he pointed out in his communication, the bulk of these fees are paid by residents of municipalities.

The State collects them and returns fifty per cent to the counties which is spent on roads outside the cities. Even where a state highway carrying heavy traffic passes through a city no portion of the upkeep of that road within the city is borne by State or County. There is a manifest injustice here. While the city resident who pays the auto tax is perfectly willing to contribute his share to the maintenance of the outside roads, it is hardly fair that none of it should come back to his home city and that he should be forced to pay an increased municipal tax for the maintenance of a state highway within his own city.

If the California Auto Club will initiate the movement, probably some equitable adjustment of this tax money can be secured.

"PLAY BALL"

After two winning games Tropico has decided to adopt the Albert Cohn team who are now using its diamond for home grounds. These boys are backed by Albert Cohn and have already helped clean off the grounds. They played a fast game Sunday with plenty of team work and lots of pep. Come out and see them next Sunday. The team roster is as follows: Hartnagle 5, Leathers 6, Springman 8, Ryerson 7, Barnabe 3, Cross 4, Brown 2, Heinz 1, Chuck Flanders 9. They played against the De Luxe team of Los Angeles with a result of 7 to 6. The score stood: Albert Cohn, 6 errors, 7 hits, 2 runs. De Luxe, 5 errors, 6 hits, 2 runs.

TROPICO Interurban SENTINEL

UNEXPECTED PLEASURE

The meeting of the Thursday Afternoon Club last Thursday was unique in its experience in that its program was entirely impromptu. Mrs. Mazie Fullman Garrett, the elocutionist who was to have entertained with Shakespearean readings, sent a telephone message at noon that she could not speak aloud because of a severe cold, and the doctor had forbidden her to attend the meeting. Mrs. Charles Stewart, the vocalist of the day, was similarly indisposed. Fortunately, one of the newcomers, Mrs. Charles Francis Peabody of North Glendale avenue, who is a public speaker on a variety of subjects, goodnaturedly consented to fill the breach to the best of her ability without preparation, and gave an informal, practical but quite original talk on women the world over as she found them, which vastly entertained her audience and which promises to lead to some practical local work along the line of civics. The chairman of hostesses, Mrs. Pulliam, was also indisposed and her duties were performed including floral decoration, by the president, Mrs. Charles Kimberly, but the result was all that could be desired.

Mrs. Edwin Virden, Chairman of Programs announced that Mrs. M. E. Johnson, president of the Wednesday Morning Club of Los Angeles, would be the speaker at the meeting of April 5th, her subject being "The Tenderfoot in Politics."

Invitations to reciprocity meetings were read from Owensmouth Woman's Club for March 21, Montebello Club March 17, Mountain View (El Monte) Club, April 3rd.

The election of Mrs. A. C. Fleury and Mrs. H. O. Chandler to club membership was reported; also the appointment of delegates to the District Federation Meeting at Santa Monica as follows: Mrs. Ella Richardson, alternate for the president, Mrs. Wesley Bullis, delegate, Miss Ida Myers, alternate.

Reports of reciprocity meetings were given as follows: Mrs. Bullis, Tuesday Club of Glendale; Miss Myers, San Fernando Woman's Club; Mrs. Kimberly, Friday Morning Club, Hollywood and Sierra Madre Clubs.

After the singing of "America" by club members led by Mrs. Bullis at the piano, Mrs. Peabody was intro-

duced. She declared that the women of California have more advantages than any other class of women in the world, and seem less disposed to take advantage of their power and opportunities. As a specific instance she cited the fact that the women of Tropico and Glendale are forced to stand in our electric cars because the service is inadequate, yet they are making no effort to change that condition. She asserted that neither English nor German women would put up with it, though they have less political freedom than California women. In response to a query as to her opinion of the probable status of British women after the war ends, she expressed the conviction that suffrage will be given them. She spoke of the great beauty of California and urged women to preserve and enhance it as their most valuable civic asset. She closed with a plea for universal sisterhood of women the world around which would inspire the women at the top to lend a helping hand to the women at the bottom.

The talk was followed by a general call from members for some action on the street car question. When the ladies present were asked to indicate by raising their right hands whether they had been compelled to stand on the cars because of over-crowding every hand in the room went up. The demand crystallized in the appointment of a committee by the president to draft and circulate petitions for increased car service, the committee including Mesdames Harry Goodwin, Douglas Chandler, Leigh Bancroft, Charles Francis Peabody, Seeley Moe and Miss Gertrude Gibbs.

An adjournment was then taken to the tea table at which Mrs. W. C. B. Richardson and Miss Gibbs poured.

CHILD OF THE WILD

The Tropico Playground Benefit at the Palace Grand Theatre comes off Friday of the present week. The ever popular Baby Jane Lee and June Caprice are featured in "A Child of the Wild", a charming film story which will please both children and adults. The program will also include Burton Holmes Travel Series. There will be three performances, a children's matinee at 3:30 and evening runs at 7:15 and 8:45. No one should miss this entertainment, especially children and child lovers.

HOSPITAL RECEPTION

The opening of the Relax Home and Hospital on San Fernando Boulevard last Thursday, was a huge success. Not only did Tropico gladly avail itself of the invitation to inspect this beautiful institution, which has been entirely renovated and handsomely refurnished, but guests came from all the surrounding towns, even from Long Beach. The stream of visitors continued without intermission throughout the afternoon and until a late hour in the evening, when business and professional men came to inspect and admire. It is certainly an attractive home either for those who are seriously ill or those who are merely out of health, and it should receive considerable local patronage; for it would be far preferable to the majority of city hospitals in the midst of noise and confusion and it would have the great advantage of being near home and friends. Mrs. Rottner and Doctor Baker hope to establish the most cordial relations with our citizens and to develop an institution in which Tropico can take great pride.

MOTHERS CLUB

Mothers of the Acacia school met last Friday afternoon at the school house and after a social cup of tea listened to an entertaining talk by Mrs. Alma V. Lafferty, a former member of the legislature of Colorado. Mrs. Lafferty is a pacifist and as a mother fully agrees with the song "I did not raise my boy to be a soldier."

As a stranger and observer she pointed out defects in California conditions and policies. She deprecated the tendency of Americans to get away from the soil and let it fall into the service and possession of aliens, Japanese, Chinese and Hindoos when it should be tilled by native sons.

She indorsed vocational training as recommended by Mr. Shields, superintendent of schools of Los Angeles, believing that our Sloyd and Domestic Science courses do not go far enough.

In closing she said: "Whatever we can do to better the condition of our citizens will better the generations to come and strengthen our nation. This must be done if we would retain our leadership in the arts and industries."

PLAYGROUND CARNIVAL

About fifteen members of the Municipal Playground Association, representing various lodges, clubs and other organizations, met Monday evening in the City Hall to organize for the promotion of a Carnival to be held May 12th, the proceeds to be applied on the playground debt.

Mr. Peters was made chairman and Mrs. Lake secretary of the meeting.

The informal discussion concerned what should constitute the main features of such a carnival. The suggestions included a baseball game, a beauty show, baby show, dramatic entertainment, and refreshment booths. On motion of Mr. Taylor, Mrs. Bacon was named as chairman of a committee of five with instructions to select the other four members, this committee to have general charge of arrangements for the carnival with power to act. The committee was instructed to arrange for a fancy dress ball in the evening but otherwise left free to plan such a program as in its judgment would best serve the ends sought. Mr. Peters was made chairman of a committee to secure a slogan button bearing the words "Tropico Playground" and to be sold for promotion purposes. Those present were: Messrs. and Mesdames Frank Peters, Robert Danner and Charles Bruck, Dr. William Mabry, Mr. A. J. Van Wie, Mesdames Charles Barker, Landon Haynes, Ella Richardson, E. V. Bacon, Wesley Bullis and C. K. Lake.

Feminine Confidence.

"I shall never scold my husband again for spending so much time at the club" "Tell me about it."

"Well, last night a burglar got into the house, and my husband knocked him senseless with a poker. I've heard several men speak of him as a poker expert. He has evidently been practicing at the club for just such an emergency."—Judge.

Force of Habit.

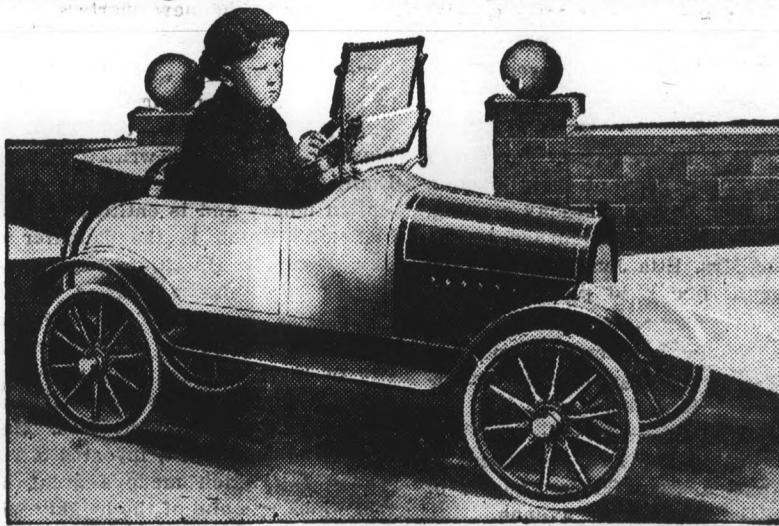

A burglar went home one night, fumbled noiselessly at the keyhole and let himself in without making a sound. He was about to creep softly upstairs when his wife appeared on the upper landing. "Dan," said she, "wot makes ye come in so quietly?"

"Blame it," bellowed the burglar, "I thought I was in another house!"

Mrs. W. A. Hough of West Tenth Street was taken to the Burbank hospital last week Tuesday for an operation. Her friends report that she is doing well and will be removed to her home before long.

The Philathea Class of the Presbyterian Sunday School met Tuesday evening at the home of Miss Harriet Myers for a function of farewell to Miss Grace Palmer who leaves Friday for her home in the east.

After the farewell party for Grace Palmer at the home of their teacher, Miss Harriet Myers, Tuesday evening, the Philathea girls adjourned to the home of Mrs. Etta Jennison and sang for her to her great pleasure.

Mrs. Keeler has come down from the North and is a guest of her daughter, Mrs. C. K. Lake.

Mrs. Cotton and Mrs. Rosenberg of Los Angeles were Sunday guests of Mrs. Walshe on Perlita avenue.

The St. Patrick's Day card party given under the auspices of the Thursday Club at the home of Mrs. Ella Richardson on North Central avenue last Friday afternoon proved most enjoyable. The first prize was won by Mrs. L. N. Hagood of Glendale, the second prize going to Mrs. Fleury of Tropico.

Louis Beatty, a former resident of Atwater Tract but now of Santa Barbara, is visiting friends here.

Mrs. Amy Isabelle Peabody, who has recently become a resident of Tropico after having lived some time in Venice and Los Angeles, was given a birthday dinner, dance and general celebration at the home of Mrs. John Mills, Hillcrest avenue, Venice, formerly of Toronto, Canada, on Saturday. About forty guests celebrated with Mrs. Peabody, who was the recipient of numerous beautiful gifts. Mrs. Peabody is of English birth but is a thorough cosmopolitan, having travelled and lived all over the world. She has lost two brothers and many friends in the war but is not a pacifist.

The First National Bank has let the general contract for its new building on Brand and Cypress to J. A. Kemp of Los Angeles, Messrs. Kent and Son of Glendale securing the contract for the brick and cement work in connection with the structure. Work has already been started and the officials hope to be able to celebrate Independence Day in the new quarters.

Tropico residents will be interested to know that the music for a popular song just published by the California Music Company, was written by Miss Emily M. Hatch. The song is a Hawaiian lullaby and is entitled "Kuuape-pe." Miss Hatch is the daughter of Rev. Cyrus B. Hatch, who preceded Rev. O. P. Rider as pastor of the Presbyterian church of this city, and who was a resident of Tropico for two or three years, during which he and his family made many friends here. Another daughter, Mrs. Merrill of Highland Park, invented a Hawaiian doll which made a great hit and which was one of the holiday window attractions of the California Furniture Company.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

BIRTHDAY ANNIVERSARY

The fifth anniversary of the institution of La Halla Temple, Pythian Sisters, last Friday evening, was made the occasion of a celebration by the committee of arrangements, Mesdames Landon Haynes, Pearl Rittenhouse and Mary College, and sprung as a surprise on members who assembled for a regular meeting. A special program was secured and a supper provided which included a huge birthday cake bearing five candles. The program included: piano solo by Miss Best; reading by Joe Griffin who responded to two encores; highland fling dance by little Loretta Wood; vocal solo, Mrs. J. Perry Griswold; piano duet, Leona and Walter Hibbert.

K. P.'S

The last meeting of the Twin City Lodge of K. P.'s drew an attendance of about 45. After the business and lodge work were transacted there was a social session and an oyster supper was served. The lodge will have another dance Friday evening, March 30th for which Busch's orchestra will furnish the music.

TORRENS TITLE MEASURES

Some of the business interests of California are opposed to Torrens titles and are fighting measures now before the legislature. Their arguments are set forth in the following communication sent to the Sentinel:

"Torrens title companies and attorneys engaged in the business of placing property under the Torrens system have prepared several measures which are now pending before the legislature and are designed to render Torrens title certificates marketable. The most radical of these measures is Senate Bill No. 793, which makes it a crime for any person to discriminate against these certificates. Large investors state that if such a measure were to become a law, it would discourage foreign investors from coming to California and would cause local investors to place their money outside of the state. Measures of this kind cannot be forced upon the people. Attempts by Torrens title companies to coerce property owners into accepting Torrens certificates by measures of this nature, will do much to bring about quick condemnation of the Torrens law in this state. If such a law were enacted, it is believed that it would practically destroy the market for property registered under the Torrens system because an investor would neither purchase nor loan money upon property which he was advised was under the Torrens system. To do so would place him in a position of being compelled to take the Torrens certificate as an assurance of title and for his refusal to do so would subject him to criminal prosecution. The public will not be coerced by such methods into accepting Torrens certificates. Many investors have a well founded belief that such certificates, standing alone, are unsatisfactory and undependable. Until a plan is devised by which the certificates issued by the Registrar of Titles can be relied upon by the general public, the use of the Torrens law will be extremely limited and threatened criminal prosecution for refusal to accept these certificates will certainly not add to their popularity."

TROPICO Interurban SENTINEL

SPLENDID C. E. CONVENTION

Glendale gave a beautiful welcome to the members of the County organization of the Christian Endeavor who came three thousand strong to enjoy her hospitality last week, and Tropico was an assisting hostess in opening homes to delegates and furnishing workers on hospitality committees. Twenty Tropico girls, members of the local C. E., helped in the serving of the great banquet Saturday night at which covers were laid for 600. Not all of these could be accommodated at one place so five long tables were spread in Masonic Hall, and the balance in the High School Cafeteria. Purple and gold, the C. E. colors, made gay electroliers at boulevard corners, and with the streamers waved the stars and stripes, blending in the color scheme in the marvelous way that our flag always harmonizes. At the banquet tables, jonquils furnished the golden note in the floral decorations. Though the convention opened Friday evening, the chief business of the organization was transacted on Saturday, when sessions and conferences were held all day. C. C. Hamilton, field manager of the United Society of Christian Endeavor, of Boston, spoke at both the morning and afternoon sessions and addresses were also made by Jonathan S. Dodge, County Supervisor for this district, and by Frank C. Morton of the Seventeenth Battalion New South Wales Division of the English army, who has but recently returned from the trenches in France. Mr. Dodge talked of the work already being done by the organization at the

County Hospital and urged its extension in the way of helping patients when discharged from the hospital. Leonard Merrill was toast master at Masonic Hall where responses to toasts were made by H. H. Godber, Leon Shaw, Ray Horton and Roy Creighton. At the Cafeteria Arthur J. Gatter was toast master, and the responses to toasts were made by Phil Welles, Paul Brown, and J. O. Smith.

Several resolutions were adopted, one of outstanding interest being a resolution to unanimously support President Wilson in whatever action he might take in our international complications or in the threatened railway strike.

Edgar C. Smith of Immanuel Presbyterian church, Los Angeles, was chosen president to succeed A. H. Anderson of Pasadena, and Miss Edna Cartier of the West Adams Presbyterian church of Los Angeles was made recording secretary. Other officers elected were: Myrtle Webster, first vice president; Hugh Waddell, second vice president; Mrs. Alma Bertschin, corresponding secretary; Roscoe Berghart, financial secretary; Miss Charlotte Gordon, second assistant missionary superintendent; Miss Ruth Pettit, Quiet Hour supt.; Miss Helen Hamilton, Junior supt.; Miss Margery Baker, asst. Junior supt.; Miss Margaret Graepp, intermediate supt.; Willard Learned, asst. intermediate supt.; Joseph Wilson, press; Lowell Donnell, extension Supt.; Miss Bertha Boal, social supt.; Miss Hazel Tyler, introduction supt.; Roger Cumberland, evangelistic supt.; S. L. Gross, floating supt.; George Dodge,

hospital supt.; Miss Mattie Smith, asst. hospital supt.; Miss Alice Read, missionary supt.; Miss Pearl Campbell, first asst. missionary supt.

These officers were installed by Rev. W. E. Edmonds.

The association voted to hold its next county convention at Santa Monica.

The State Christian Endeavor Convention is to be held at Riverside June 27 to July 1.

BAPTIST SERVICES

Baptist services were held Sunday, March 18th at the K. P. Hall, corner Brand boulevard and Park avenue, Tropico, with Sunday school at 9:45, Mr. E. W. Kenrick, superintendent. Classes are being formed for all ages with experienced teachers.

Church service at 11:00 with Bible exposition by the well known Bible teacher, Dr. W. H. Walker, who is giving several talks on Noah.

Services will be held next Lord's Day, March 25 at the above mentioned hours. No evening service.

Dr. Walker's topic will be "Noah in the New World." Good music.

A cordial welcome extended to all to enjoy these very helpful lessons.

PROCEEDINGS OF BOARD OF TRUSTEES

The City Council convened at the usual hour Tuesday evening with all members present. It was a short session.

R. R. Crossing Signs

A communication from the State Railroad Commission was read by the City Clerk which recommended the placing of warning signs at five railroad crossings as shown on accompanying blue prints. The letter and prints were ordered placed on file, and consideration of the recommendations was deferred until the next meeting.

Street Superintendent Resigns

A communication from Mr. Wasson stating that he was leaving Tropico and therefore tendered his resignation as Street Superintendent, was read by the Clerk and on motion of Trustee Alspach, duly seconded was accepted by the Board. Later in the session the question of filling the vacant office came up for consideration. Trustee Seal recommended the appointment of Mr. Ripley; Trustee Henry the appointment of Mr. Fram. Trustee Veselich asked for more time in which to consider applicants and find a candidate on which all members could agree, and on motion of Henry the president of the board was instructed to employ some one to take care of the street equipment and street work temporarily, or until an appointment should be made.

Health Officer Mabry submitted the draft of a contract with W. E. Edwards for the collection of the garbage of the city twice a week during the coming year, beginning April 1st. It was referred to the City Attorney for consideration and report at the next meeting.

A request presented by President Peters for permission to remove eucalyptus trees from the parkway at the Southwest corner of Cypress and Brand Boulevard, was granted by the Board.

The City Clerk was authorized to purchase a copy of the combined directories of the cities of Glendale and Tropico at a cost of \$2.25; also to have 500 letter heads printed.

Complaint of a tuberculosis camp

in connection with Thornycroft Hospital on the Tropico side of its holdings, was reported by Trustee Henry. Some discussion followed but no action was taken.

Demands were read and allowed as follows: Expense fire dept., \$3.85; Tropico Feed and Fuel Co., \$4.30; Labor, cleaning playground \$10.00; Engineer Wattles \$47.60; For testing cement on Hill street \$4.00.
